

# 10 STEPS TO IMPROVE THE SAFETY OF YOUR SCHOOL

- 1 Educate yourself. Review our school safety resource [page](#).
- 2 Meet with your school to discuss their latest safety incidents in our [School Safety Dashboard](#).
- 3 Meet with your school to review their [personalized action plan](#) from SchoolSafety.gov.
- 4 Show your school the almost \$2 billion of [grants](#) available on SchoolSafety.gov.
- 5 Ask your school if they are implementing the low cost / no cost immediately implementable school safety [tactics](#).
- 6 Meet with local law enforcement. Show them the failed [response](#) that took place during the Parkland school shooting.
- 7 [Start](#) a Safe Schools for Alex student chapter at your school.
- 8 Form a school safety Facebook group to mobilize and educate parents.
- 9 Encourage local media to run a story on school safety.
- 10 Speak with your state representative. Let them know school safety is your number one priority.
